

54- Dinaric Arc Sustainable Hydropower Initiative (DASHI) – phase II - Albania component

Assignment Name: Dinaric Arc Sustainable Hydropower Initiative (DASHI) – phase II - Albania component		Country: Albania
Location within Country: All the country		Professional Staff Provided by Your Firm/Entity (profiles): Coordination, technical expert, etc
Name of Client: WWF MedPo		Nº of Staff: 2
Start Date (Month/Year): June 2014	Completion Date (Month/Year): October 2015	Nº of Staff-Months; Duration of Assignment: 16 months
Name of Associated Consultants, If Any: N/A		Approx. Value of Services: 23,700.00 Euro
Name of Senior Staff (Project Director/Coordinator, Team Leader) Involved and Functions Performed: Ms. Emirjeta Adhami		
Narrative Description of Project: The proposed actions aim at long-term change in policies, behaviors, quality of dialogue, and securing a high level of vigilance in civil society. WWF will act regionally to influence the main drivers (policies, investors and financiers) of unsustainable HP planning and at a local level influencing national policies and projects. The project intend to demonstrate that there are alternatives to unsustainable energy development and that green business can be a solution to poor local economies, and particularly to increase the outreach to Albania through this project.
